Maritime Strategic Imperatives

Secure Our Homeland, Citizens, and Interests around the World.

Regionally Concentrated, Credible Combat Power

- Limit regional conflict with forward deployed, decisive maritime power
- Deter major power war
- Win our Nation's wars

Globally Distributed, Mission-Tailored Maritime Forces

- Contribute to homeland defense in depth
- Foster and sustain cooperative relationships with more international partners
- Prevent or contain local disruptions before they impact the global system

Preventing wars is as important as winning wars.
